

# Planner's Edge On-Site Specialty Events

Our On-Site Specialty Events eliminate the need for off-site transportation and secondary venues, while reducing the carbon footprint of your meeting, helping you save time, money, and the environment. With just a single point of contact for all your planning needs, you can ensure that your meetings are inclusive, cost-effective, and easy to manage.

Please ask your W Hollywood representative for more details on how to make your event more memorable and fun for your attendees!

## ***Mixology***

- Who doesn't love a good martini? In this hands-on activity, your guests will learn how to mix the popular cocktail – both shaken and stirred.

## ***Bordeaux Blending***

- Who will be the next sommelier? Guests learn the nuances of live Bordeaux varietals and then they taste Bordeaux blended wine and get the opportunity to create their own blend

## ***Spa-ception***

- Just say "ahh"... your guests enjoy food and wine paired with special spa services to fulfill, beautify and relax

## ***Gamers Tournament***

- A true video game competition, complete with brackets and officials. Teams go head-to-head at playing their favorite interactive video games at stations. The final rounds of the tournament are played on the main event big screen.

## ***Drive-In Movie Night***

- A night of big screen magic. A classic movie of your choice is displayed on a big screen or you may choose multiple movies set in different rooms with classic movie props. Guests will enjoy classic snack shop food and drinks.

## ***Premiere This***

- Arrive to a star-studded entrance. Add a red carpet entrance to your group's evening activities. Lights, cameras and fanfare make arrival at your event exciting from the onset. Attendees enter down a stanchion walkway and stop to pose for photographers in front of a branded backdrop while a Hollywood style reporter "interviews" people making sure to emphasize your meeting message, company philosophy or a particular product.
